## A COMMITMENT TO THE FUTURE

The Grandview & District Community Foundation is an incorporated, non-political, non-profit, registered fund governed by a Board of Directors, all of whom are members of the community.

## HOW DOES THE GRANDVIEW & DISTRICT COMMUNITY FOUNDATION WORK?

The Grandview & District Community Foundation pools charitable gifts in a capital fund to create a lasting legacy for the future of our town and the surrounding area.

The Foundation grows through the generosity of many donors, both large and small. Your individual gift is never spent or “used up”. It is preserved, along with other donor gifts, through an invested capital fund.

A contribution can be made in several ways:

- A gift or pledge of money
- A bequest in a will
- A charitable gift of life insurance
- A donation made in memory of a relative, friend, or loved one
- An annual donation

As a donor, you can decide which fund your donation will help. As well, you can indicate if you would like the funds to be endowed. All donations qualify as deductions for income tax purposes.

## GRANTS

The Grandview & District Community Foundation Board reviews all grant applications received in both spring and fall. The Grandview & District Community Foundation then presents grants to the qualifying applicants.
